Frontend Developer and UI/UX Designer

Frontend Developer and UI/UX designer with hands-on experience building responsive, user-focused web interfaces using HTML, CSS, JavaScript and Figma. Experienced in designing and translating designs into clean, functional layouts, collaborating in team environments, and improving usability across devices. Actively seeking internship or junior frontend roles to contribute to real-world products while growing technical depth.

EDUCATION

Bachelor of Science(B.Sc) in Computer Science

Babcock University • Ilishan-Remo, Ogun State • GPA: 4.32 • 09/2023 - 07/2026

WORK EXPERIENCE

GAO TekInc • Online • 05/2026 - Present

UI/UX Designer • Internship

- Improved understanding of usability, typography, spacing, and visual hierarchy in digital products.
- Used Figma and design tools to create wireframes, mockups, and interface components.
- Assisted in creating user-friendly interface designs for web-based projects.
Designed and organized webpage layouts using modern UI/UX principles.

Babcock University New Horizon Tech-Hub • Ilishan-Remo, Ogun State • 12/2025 - Present

Member & Frontend Developer • Part-time

- Collaborated with team members on frontend design and page layout improvements.
- Implemented responsive design principles to ensure websites functioned across different devices
- Participated in tech hub activities, training sessions and project discussions to improve development skills
- Assisted in testing and refining website features for better user experience

New Horizons Computer Learning Center • Lagos,Nigeria • 01/2025 - 06/2026

Industrial Trainee • Internship

Provided technical support for day-to-day activities, supported instructors and staff during training sessions, and gained practical experience working in an IT environment. Developed strong problem-solving, communication and teamwork skills.

PROJECTS

Tourism Website Landing Page • 05/2026 - 05/2026

Personal Practice Project

Built and customized a responsive tourism website interface based on an existing design concept. Implemented modern layouts, interactive sections, destination cards, navigation components, and responsive styling using Figma

Duplicate website • 05/2026 - 05/2026

Internship Project

Designed and developed a responsive personal portfolio website with Home, About, Parent, and Child pages. Focused on clean layouts, structured navigation, responsive design, and modern user interface styling using Figma

Tourism Website • 10/2025 - 10/2025

Personal Project

Designed and developed a responsive tourism website using HTML, CSS, and JavaScript, focusing on intuitive navigation, clean layouts, and mobile responsiveness to improve user browsing experience

Transportation Service Website • 05/2025 - 08/2025

Personal Project

Designed and developed a transportation service website with interactive ticket booking and bus charter interfaces using HTML, CSS and JavaScript. Implemented dynamic form switching for one-way and round-trip bookings, clean UI layout and responsive design to improve user experience. Strengthened practical skills in frontend development, interface design and basic web interactivity.
